SUPPLEMENTAL PETITION UNDER 37 C.F.R. §1.47(a)

Mail Stop PCT
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

This is a Supplemental Petition Under 37 C.F.R. §1.47(a). This Supplemental Petition is in response to the Decision on Petition mailed on March 3, 2006, and supplements the petition mailed to the United States Patent and Trademark Office on August 12, 2005. The entire petition mailed to the United States Patent and Trademark Office on August 12, 2005 is incorporated herein by reference.

In accordance with the provisions of 37 C.F.R. §1.47(a), applicant petitions to have the present application perfected by the Declaration of Inventorship of Niels-Søren Bøgh on behalf of himself and on behalf of Martin Egede Nielsen, a joint inventor who refuses to sign the declaration.

The Following Documents are Enclosed:

Exhibit AA: Danish language copy and English language translation of a letter from Susanne Hamberg to Martin Egede Nielsen dated 21 June 2006. The letter clearly states that

copies of the patent application, the declaration, and the assignment accompany the letter to Martin Egede Nielsen.

Exhibit BB: Danish language copy and English language translation of a letter from Martin E. Nielsen to Susanne Hamberg dated June 28, 2006 and received July 4, 2006. Martin E. Nielsen acknowledges receipt of the letter from Susanne Hamberg and refuses to sign the documents.

Exhibit CC: Danish language copy and English language translation of a letter from Holm Schwarze to Martin Egede Nielsen responding to Martin E. Nielsen's letter dated June 28, 2006, confirming the inventorship of the patent application, and requesting execution of the assignment and declaration documents. The letter dated August 16, 2006 provides copies of the assignment and declaration documents.

Exhibit DD: Copy of post office receipt of the letter sent on August 16, 2006 by registered mail.

Remarks:

In view of a conversation between PCT Legal Examiner George Dombroske and the applicant's below-named representative on June 9, 2006, the Petition Under 37 C.F.R. §1.47(a) mailed on August 12, 2005 was refused on the grounds that the letter to Mr. Nielsen did not state that a complete copy of the application and declaration was presented to Mr. Nielsen. In view of the attached exhibits, it is clear that copies of the complete application and the declaration were presented to Martin Egede Nielsen by the letter dated June 21, 2006 (Exhibit AA) and that he refused to sign the declaration in view of Mr. Nielsen's statements in his letter dated June 28, 2006 (Exhibit BB). It is submitted that the reasons expressed by Mr. Nielsen for refusing to sign the declaration and assignment are irrelevant. The fact is that he refused to sign, and the applicant has filed this petition under the provisions of 37 C.F.R. §1.47(a) in order to proceed with the above-identified patent application.

The last known address of Martin Egede Nielsen is:

Martin Egede Nielsen
Olfert Fischersgade 5, 4. th.
9000 Alborg

The letter that was sent to Martin Egede Nielsen on June 24, 2006 relied upon the above address and was received by Mr. Nielsen.

It is understood from the Decision on Petition mailed on March 3, 2006 that no further petition fee is required.

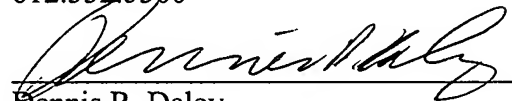

Applicant, therefore, again petitions for entry of the declaration accompanying the petition mailed on August 12, 2005 as the declaration of inventorship by the joint inventors.

Respectfully submitted,

MERCHANT & GOULD P.C.

Esko-Graphics A/S

Kære Martin Egede Nielsen

Som svar på Deres brev 28. juni 2006 og i forlængelse af vores brev af 21. juni 2006 er det naturligvis rigtigt, at der har været flere personer involveret i forskellige aspekter af udviklingen af produktet.

Den konkrete opfindelse, som søges patenteret i henhold til ovennævnte patentansøgning, er ganske vist gjort i forbindelse med udviklingen af produktet, men opfindelsen er i h.t. Esko-Graphics' vurdering kun blevet lavet af de to personer, som er anført på dokumenterne.

Vi beder Dem derfor endnu engang venligst returnere følgende vedlagte dokumenter til os:

- Overdragelseerklæring (Assignment)
- Opfindererklæring/fuldmagt (Declaration).

Det bemærkes, at et sæt dokumenter svarende til det vedlagte allerede er blevet underskrevet af medopfinder Niels-Søren Bøgh.

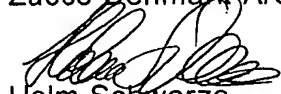

Vi vedlægger endvidere en komplet kopi af ansøgningsteksten (beskrivelse, krav og tegninger) til ovennævnte ansøgning. Vi beder Dem gennemlæse ansøgningsteksten og de vedlagte dokumenter inden De skriver under.

Som De vil bemærke, er det Deres tidligere adresse, som er anført på dokumenterne. De er velkommen til at rette Deres gl. adresse - med håndskrift – til Deres nuværende adresse og påføre Deres initialer og dato ud for rettelsen.

Vi beder Dem om at returnere vedlagte dokumenter til os i underskreven stand senest d. 20. august 2006.

Vi ser frem til at høre fra Dem og takker på forhånd for Deres hjælp.

Venlig hilsen

Dear Martin Egede Nielsen

In response to your letter dated 28 June 2006 and further to our letter dated 21 June 2006 it is, of course, correct that several persons were involved in various aspects of the development of the product.

Albeit the concrete invention concerned by the patent application mentioned above was made in connection with the development of the product, the invention was, pursuant to Esko-Graphic's view on the case, made exclusively by the two persons listed in the documents.

Therefore, we once again ask you to kindly return the following enclosed documents to us:

- Declaration of Assignment (Assignment)
- Declaration of inventor/power of attorney (Declaration).

It should be noted that a set of documents corresponding to the enclosed has already been signed by co-inventor Niels-Søren Bøgh.

We also enclose a complete copy of the application text (description, claims and drawings) to said application. Please read through the application text and the enclosed documents prior to signing.

As you will note, it is your previous address which is given in the documents. Please feel free to correct your former address – in hand writing – into your current address and sign with your initials and the date next to the correction.

We ask you to kindly return the enclosed documents to us, duly signed, no later than 20 August 2006.

We look forward to hearing from you and thank you in advance for your assistance.
